Foundation of
Central PA

2022 AWARD FOR
CLINICAL
EXCELLENCE

2022 Award for Clinical Excellence (ACE Award)

- ♦ Purpose: To recognize the dedication and commitment of renal professionals living and working in our 28-county region and to honor those who have made a positive and lasting impact on the delivery of care to people living with kidney disease.
- ♦ Nominations: Anyone can nominate a renal professional. All renal professionals qualify.

2022 ACE

- 10 + years in Nephrology
- Personal and professional characteristics: “dedicated, hard working, professional, creative, and dependable”
- Goes above and beyond: “ communicates well with the health care team”, “genuine compassion for her patients”, “helps patients be involved in decision making”, and “advocates for patient needs so that patients are comfortable and safe”
- Valuable asset to the health care team: “spends time behind the scenes meeting with patients and families to get to the root of issues”
- Volunteer work: participant in annual Highmark Kidney Walk and World Kidney Day events

Brittney Stewart, RN at Fresenius Kidney Care – Newberry Commons

Accept both compliments and criticism.
It takes both sun and rain for a flower to grow.
