AMA

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Penn State College of Medicine and The Kidney Foundation of Central Pennsylvania. Penn State College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Penn State College of Medicine designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credit(s)™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses Using AMA Credit

Nurses will receive a certificate from Penn State College of Medicine verifying their participation in 6.25 hours of approved continuing medical education. Continuing education activities which are approved by accredited institutions of higher education and that are relevant to patient care or professional nursing meet the requirements of mandatory continuing education for registered nurses in Pennsylvania, as required by the Pennsylvania State Board of Nursing. The Board of Nursing recommends that nurses retain their certificates for a period of at least five years. Additional information is available through the State Board of Nursing at: <https://ce.med.psu.edu/nurse-credits>.

These credits meet the criteria set by the ANCC, American Nurses Credentialing Center as contact hours that are acceptable for renewal certification.

Additional information is available through the American Nurses Credentialing Center at <https://www.nursingworld.org/certification/-faqs/#renewal>.

Social Work

Penn State College of Medicine is an approved provider as defined by Pa. Code Sections 47.36(a)(3), 48.36(a)(3), and 49.36(a)(3). Social workers, marriage, and family therapists, and professional counselors licensed by the state of Pennsylvania can earn 6.25 clock hours of continuing education for completing this course.

Pennsylvania Academy of Nutrition & Dietetics

Application and approval pending to the Commission on Dietetics Registration for 6 CPEUs.
